Vehicle Description

AutoPark Dallas is thrilled to offer you this Beautiful Modified 911 Turbo for sale! The Porsche 911 is known as one of the best driver's cars on the planet, as it should be. It has all the key elements a car enthusiast would want; Manual Gearbox, Huge aftermarket support, Tons of fender space for WIDE tires, and to top it off its powered by the famous 3.6L Turbocharged Flat 6 Engine making 415 Horsepower straight from the factory! Our 911 here at APD has a handful of modifications that increase the driving experience while retaining the looks Porsche originally intended. Bilstein Coil overs to help you hug the road better, and a GT2 Twin Turbo Exhaust to let you hear that flat 6 scream as you barrel towards the nearly 7000RPMs! DO NOT HESITATE to check out this beauty parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!

Referrals and Testimonials is what our business is built on!

The team here at AutoPark Dallas, is dedicated to offering a level of customer service not usually found in the automobile industry. Thanks to years of extensive car buying / selling experience, we pursue quality used and new vehicles that are hand-picked from factory sources. Our love for automobiles and dislike of traditional dealership tactics is what motivates us to provide the service we do! The pride we take in continuing this service long after the vehicle has been delivered is what we strive for! Looking forward to making every effort to see that our customer is completely satisfied and a friend for life!

Pre-purchase inspections are always welcomed!

We also offer airport pick-up, competitive financing options, free CarFax Reports, Car Shipping nationwide, Extended Warranty plans, and so much more!

Trade-In(s) are always accepted or sell us your used car (MODIFIED OR NOT)! Please call or text for more information about Trade-Ins or selling your car to us @ (214) 945-2601!
