A super clean G2500 Cargo Van that has a real nice set of bins with a bulkhead. It has twenty-threeservice records on Car Fax. There is some convenienceslike power windows and door locks, tilt wheel with cruise control, back up camera and a trailer tow package. It is equipped with the Vortec 4.8 V8 engine that is almost a bulletproof engine. GM has been using this engine for years and haven't need to change it any because of the longevityof this engine. We have had it checked for any mechanical or electrical issues and none were found. This truck runs and drives excellent and will last a long time provided the maintenance is kept up on it like the previous owner did. If this is something that you might have some interest in please give Rocky Reynolds a call or text to 214-542-7794 and he will answer any question you may have,or we can arrange for a good time for you to come in and check it out. We do offer Bank financing if you need to finance it and we also have extended warrantiesif you'reinterested. We are a family owned and operated business in Texas since 1959 and would really appreciate the opportunity to earn your business.
