Vehicle Description

WE just traded for this very nice GMC Sierra SLE extended cab. It has low miles (approx 7k per year).This truck runs and drives great has cold a/c, looks like it should be 25k but is less than 10k.The 4.8 engine runs as designed to, the auto transmission shifts real smooth, it drives in a straight line on a very good set of tires.Features include: a nice Pioneer radio, power front bucket seats, power windows/locks/mirrors etc., factory alloy wheels, Linex spray in bed liner, cruise and tilt, overhead consul, towing package and so much more. Everything works just fine.There are a couple of very minor scratches but no damage. the cloth interior is just about flawless.Look around at trucks under 10k then come to see this and you will be very impressed.For more information, an appointment to view and test drive please call or text Roy Claggett any time at 214-450-9664We welcome trades or will buy yours no purchase necessary.
