There are thirtyfour service history records on Car Fax. To say it has been well maintained is an understatement. Theprevious two owners took care of this truck. Everything on it works like it should. The A/C is ice cold, then engine runs smooth and the transmission shifts like it is supposedto. There is decent set of tires on it as well. We have had it checked for any mechanical or electrical issues and none were found. We then had it inspected and serviced so it is ready to go get some work done for you. If you'reinterested,please give Rocky Reynolds a call or text to 214-542-7794 and he can answer any questions you may have or set up a good time to come in and check it out if you wish. We are a family owned and operated business in Texas since 1959 but a five star rating. We would appreciate the opportunity to earn your business. Let us hear from ya.
