Exterior:	White
Engine:	ENGINE: 3.5L V6 ECOBOOST
Interior:	Leather
Mileage:	112,271
Drivetrain:	4 Wheel Drive
Economy:	City 16 / Highway 22

A super nice 2017 Ford F150 Crew Cab Lariat 4x4 that has been well kept up by its previous owner. He leased this truck when it was new and said that he had such good luck with it that he purchased it out of the lease. Both outside and inside of this truck look as close to new as you can get. The leather interior is in excellent condition and shows very little signs of wear. The exterior paint still shines like a new truck. It was just serviced and inspected by a Ford dealership, so everything is up to date on the service. We had our mechanical shop give it a once over just to make sure it was good to go, and it was. This truck is nicely equipped with leather, tilt wheel and cruise control, and of course power windows and door locks. Of course, there is much more equipment on it but I just listed a few of the convenience options. All of these miles have been highway miles so that is why it looks so good. The previous owner used it to drive around and check up on his jobs and then on weekends with his family. If you are in the market for a nice used late model 4x4 truck but don't want to spend a fortune for one, then you might want to come check this one out. We do take trade in's and we can arrange Bank financing if you like. We also have extended warranty's available if you choose to consider one. We are a family owned and operated business in Texas since 1959. We would really appreciate the opportunity to earn your business. Should you have any questions regarding this or any other of our vehicles you can call, or text Rocky Reynolds and he will be glad to try and help you.
