A one owner, no accident truck with a good clean Car Fax history. This was a lease return vehicle, so it has had all of the service done to stay in compliance with the lease agreement. This is a real nice truck that runs and drives excellent. We have had it sent to a service department to have it checked out to see if needed anything done to have it top notch and it has come back with a clean bill of health. It has quite a few extras like power windows and door locks, tilt wheel with cruise control, steering wheel controls, alum wheels, back up camera, bed topper, trailer tow package and much more. Check all of the pictures out and see what you think. If you have any questions from us or would just like to ask some questions, please give Rocky Reynolds a call or text to 214-542-7794 and he will be happy to help you in any way he can. We are a family owned and operated business in Texas since 1959 and would really appreciate the opportunity to earn your business.
