We are proud to offer you this
Supercharged 2017 Ford Mustang GT with
Many Upgrades for sale!

This 2017 Ford Mustang GT is a supercharged pony car with a long list of modifications. Under the hood, a 5.0-liter V8 engine produces 435 horsepower and 400 lb-ft of torque, all of which is sent through a six-speed automatic transmission to the rear wheels. The engine is not stock, however, having received a Roush Phase 1 supercharger kit that includes a 2.3-liter TVS® Ford Mustang supercharger, an 85mm supercharger pulley, a Roush cold-air intake system, twin 60mm throttle body, and a unique Roush-designed fuel rail with injectors, among many other modifications. This supercharged muscle car comes equipped with 19" RTR wheels and is finished in Shadow Black, making its sleek silhouette even more menacing. In the interior, this Mustang offers Sparco EVO bucket seats with Schroth five-point harnesses, a Watson Racing four-point roll cage, and an infotainment system with Bluetooth, phone connectivity, and a rear camera, truly making this car the complete package.
