2004 Gulfstream Crescendo 38FT with 3 slides, 330hp ISC 8.3 liter Cat diesel with the Alison 6speed Auto Trans.

We completed an inspection on this RV and the following shows

and the following shows  
the results of our  
findings:

Text 864 245 0730.

The engine runs good.  
The transmission shifts  
good.

The engine or dash AC  
seems to work but  
needs some freon.

This motorhome was  
just driven approx 300  
miles with no issues.

There are 2 roof top AC  
units, the front does  
NOT function but the  
rear works.

The water system  
works.

It has 2011 date code  
tires.

The microwave turns  
on, although we did not  
cook anything in it.

The fridge works.

The LP tank is low so we could not verify if the LP works. The furnace, water heater and stove top all try to work.

A few of the lights do not work as you can see in the photos, most of the time, the bulbs are bad.

Most of these older motorhomes really need the oil, oil filter, fuel filter changed on both the engine and the generator.

The hydraulic jacks work.

The carpet is ok, especially considering it is 18 years old.

The Onan diesel generator works.

...generator...

There is a location for a washer dryer combo unit located in the bedroom. We can install a functional used combo unit for \$800, or a new combo unit is approx \$1700 installed.

We did NOT check anything else.

If you do not see it, or I do not show it functioning or it is not listed in this description, the I did NOT check it, it is missing or similar. The only items checked are listed or shown in photos.

This RV is older and a little dirty and it could use a good cleaning, it is 18 years old and used. I tried to take a

used. I tried to take a lot of photos so you can tell.

For the buy it now price of \$39999 we will include the following, but any other price the following is

NOT included:

oil, oil filter and fuel filter change on both the engine and generator

Wiper replacement

Full tank of Diesel and LP.

6 new tires

amount is due within 72 hours.

This means that you have the opportunity to purchase cheap, fix it up and sell for a profit if you so desire.

For any other price those items would NOT be included.

We do NOT accept credit cards or Paypal for final payment.

If you win this item on an ebay auction, then the following terms would apply.

The \$500 down payment is due as soon as the auction is over, call us for a credit card or similar.

The total amount is due by the close of business on

business on

Wednesday whether you pick up it or not.

We are typically purchasing additional RVs at auctions nearly every week.

We require the payment by close of business on

Wednesday so we can purchase additional units at the auction.

We try to sell a lot are very low profit so we have to turn out money very fast.
