This 1972 Jaguar XJ6 was refurbished in 2015 by AutoMotion classics of New York with work including installing a 4.8-liter Vortec V8, a 700R4 four-speed automatic transmission, and a GM PCM and engine wiring harness as well as replacing the climate control system and dual fuel tanks, refinishing the wood dash veneer, repainting the body, re-chroming the bumpers. The car is finished in silver over blue leather upholstery and features power steering, power four-wheel disc brakes, air conditioning, power windows, an analog clock, a power-retractable antenna, and a push-button AM/FM radio. The owner acquired the car in 2006. This XJ6 is offered on dealership consignment with service records and a clean Missouri title.
