Camaro SS. Need we say more? In this case, yes. Yes we do. This 2010 Camaro SS has just over 35k miles and a Magnuson Supercharger on it. Paired with a 6 speed manual that's been equipped with a Hurst short throw shifter, this modern muscle car is a blast to drive! The exterior has a nice two tone paint job bringing blue over and under the white mid section. White was the factory color. Silver 20" FlowOne wheels make for a nice look over the red calipers and the tires have plenty of tread left. Financing is available and trades are welcome. Call, click, or come by before the next guy!
