This Veloster is a great car that gets a ton of compliments and is fun drive too! Typically, we do not sell vehicles in this price range and of this type, but given the age and mileage it is in great shape inside and out! Of course the exterior has some stone chips and scuffs and the interior shows wear on the seat bottom, side bolsters and steering wheel area that is more significant than we would typically sell, however, we know that it will make the perfect car for someone at an affordable price! Plus, to make sure this Hyundai Veloster Coupe runs and drives perfectly, we had it fully inspected and certified to be sold. This inspection process is thorough so there are absolutely no surprises when you come to drive it. If you have any questions or want to discuss a possible trade, call us anytime at (715) 833-2020.
