We are proud to offer you this 2003 Ford Mustang SVT Cobra 10th Anniversary with Upgrades for sale!

This 2003 Ford Mustang SVT Cobra is the most iconic muscle car of its time. Under the hood, an SVT-supercharged 4.6-liter V8 engine produces 390 horsepower and 390 lb-ft of torque, all of which is sent through a six-speed manual transmission to the rear wheels. The engine is not stock, however, having received a BilletFlow 2.760" supercharger pulley, a Sensecharger cold-air intake, an aftermarket idler pulley, and a twin-tip Borla exhaust system, among many other modifications. This Mustang comes equipped with 18" Rovos wheels and is finished in Black Clearcoat, a color that accents the car's menacing lines and mean look. In the interior, this SVT Cobra offers the 10th Anniversary package, leather "Cobra" bucket seats, SVT gauges, and a stereo system with CD and AM/FM radio, truly making this car the complete package.
