Vehicle Description

AutoPark Dallas is thrilled to offer you this Harley Davidson for sale! The simple act of pushing the start switch ignites a rider's passion. If it doesn't, perhaps the LiveWire One will be more to your liking. The air/fuel mixture charges into the 601cc cylinders, and the unruly explosions begin. The entire motorcycle shakes, with the unbalanced, rubber-mounted Evolution powerplant unambiguously showing its enthusiasm for the task at hand. I'll never tire of starting this motor. The Harley-Davidson Forty-Eight isn't about long-distance riding or sporting performance. It's about looking cool and enjoying your local surroundings. With a 28-inch seat height, feet-forward controls, and a narrow handlebar with precious little sweep back, the point of the Forty-Eight is to present yourself as a confident person going about the day's riding business with a solid dash of rugged individualism. Don't hesitate to come to check this out, Parked here in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!
