AutoPark Dallas is thrilled to offer you this Harley Davidson for sale! The simple act of pushing the start switch ignites a rider's passion. If it doesn't, perhaps the LiveWire One will be more to your liking. The air/fuel mixture charges into the 601cc cylinders, and the unruly explosions begin. The entire motorcycle shakes, with the unbalanced, rubber-mounted Evolution powerplant unambiguously showing its enthusiasm for the task at hand. I'll never tire of starting this motor. The Harley-Davidson Forty-Eight isn't about long-distance riding or sporting performance. It's about looking cool and enjoying your local surroundings. With a 28-inch seat height, feet-forward controls, and a narrow handlebar with precious little sweep back, the point of the Forty-Eight is to present yourself as a confident person going about the day's riding business with a solid dash of rugged individualism. Don't hesitate to come to check this out, Parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!
