If you are looking to take a step back to a simpler time in life, we at I-95 Muscle have you covered with this Red 1965 Mustang! 289ci V8, 3 speed automatic transmission, and luckily lacking all the things you don't need to enjoy a old school muscle car such as no power steering, no power brakes, and no A/C to drain the 225hp this true pony car makes. This Mustang does have a few modern amenities however, these include but don't limit: new Bosch gauges (oil pressure, engine temp, and battery voltage). As well as a Bluetooth radio to jam out to "Tears" by Ken Dodd which is officially the highest-selling single of 1965! So if you were looking for a Mustang ready to go, or even one you'd like to throw a vintage air kit and do some tinkering with... this is the car for you! Mustang's like this don't last long in any market so make sure you so call or click today! Financing is available and trades are welcome!
