AutoPark Dallas is thrilled to offer you this INSANE 2004 Chevrolet Corvette Z06 for sale! Near the end of the C5 generation, this Z06 is backed behind redesign and major improvements from its older years. Thanks to the weight reduction in parts and powered by the LS6 Engine, this Z06 was on par if not better than the C4 ZR-1 counterpart. GM didn't hold back with making a powerful coupe and this Z06 we have here at APD has been pushed beyond that power! Equipped with a A&A Supercharger kit is the start, but your eyes are immediately drawn to the custom ESR Wheels in Lime Green and the fender extensions to give this Vette that Widebody style! That is just the exterior and under the hood, open the door to sit down on the BRAUM Elite Racing Series Seats and then grab the SPARCO Detachable steering wheels! And the list goes on!!! DO! NOT! HESITATE!!! To come check out this CRAZY Corvette Z06 parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
