There are few words that describe a Dodge Ram. Solid, Reliable, and not a Chevy. This 2007 1500 is no exception to that! A 5.7L Hemi V8 with an automatic transmission and 4wd capabilities will have Ford owners in tears. This Ram is also a quad cab and can fit all of your friends and family, or all of your grocery needs (as seen fit). With just over 180K miles this Ram still has tons of life in it and has great care taken over the last 15 years including a brand new set of headlights! Good deals on trucks like this don't come around but once in a blue moon! Financing is easy and trades are welcome, so call or click before another Ram lover finds it!
