## Vehicle Description

This is a top of the line Tiffin tag axle motorhome, this has 3 ac units, a 10kw onan diesel generator that runs perfect, 8.3 cummins diesel engine with 360 hp and over 1000lbs of torque. This has tile floors throughout, granite counter tops, really top of the line first class unit. This really is like having a home on wheels, a new one like this sells for over 500k, so this is a good deal and it is barely broken in with only 40,000 miles.
