Vehicle Description

AutoPark Dallas is thrilled to offer you this modified GTR Black Edition for sale! You don't have to be a Formula 1 demigod to extract every ounce of potential from the shock-and-awe Nissan GT-R--but it wouldn't hurt. Straight out of the box this thing is an animal! The GT-R commands respect from a plethora of cars straight out of the dream car section; cars like the 911 Turbo, Corvette Z06, and practically the entire AMG and M lineups. Key it to life, and your attention needs to be laser-focused, even though it's one of the most predictable supercars ever. You'll roll up into triple-digit speeds--in corners--before you can catch your breath. Our GTR Here at APD is also a Black series model giving you a full carbon fiber hood and roof, thinner glass at the front and rear, a 10 mm drop in overall height, and a giant carbon fiber spoiler at the back! Come check this bad boy out parked here in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury Vehicles!
