Reviews:\* Impeccable cabin construction; generous backseat room; copious high-tech features; smooth and quiet engine. Source: Edmunds\* If the idea of an eye-catching, comfortable and technologically sophisticated compact-luxury-crossover SUV sounds good to you, but you crave the reliability that's synonymous with the name "Lexus," then the new Lexus NX 200t or NX 300h may be just what you're looking for. Source: KBB.com\* The Lexus NX is the all new compact crossover from Lexus combining design and technology. The 2.0L turbo engine in the NX 200t makes for 235hp and 28mpg hwy while the NX 300h operates with a 2.5L engine mated to a hybrid battery pack allowing for 194hp and up to 33mpg combined. Both options come standard with features like a 10-way power driver seat, leather trimmed steering wheel and shift knob, self-gripping cupholders, smart stop technology, and dual-zone climate control. Available features include a heated steering wheel, heated and ventilated front seats, memory settings for seat/mirror/wheel configurations. Technological features include a 7-inch LCD display integrated in the center console and subscription-free traffic and weather service. Available features include a Remote Touchpad to access multimedia, climate control and more, a Qi-compatible charging case to wirelessly charge your compatible phone, voice activated navigation system, a 10-speaker premium sound system, and access to Lexus Enform App Suite which offers access to your favorite mobile. After downloading the app on your compatible smartphone, you can search local listings, stream music, listen to live radio nationwide, place restaurant reservations and buy movie tickets-all from on the dash display. Available safety features include backup camera, blind spot monitoring with rear cross traffic alert, pre-collision system with dynamic radar cruise control, lane departure alert, and rain-sensing wip"
