## 2020 Dodge Charger Daytona 50th Anniversary Edition Info:

In 1969, the infamous Dodge Charger Daytona hit the roads of Connecticut. This year is the 50th Anniversary of this classic car and we're celebrating it with a special limited-edition model that's based on the

look and feature lineup of the SRT Hellcat Widebody while adding unique design cues.

Available in 4 colors including the White Knuckle clearcoat paint, the exterior offers unique 20" Satin Carbon-finished "Warp Speed" wheels and a Daytona decklid & rear-quarter decal with a matching spoiler all paying homage to the heritage of this model. Other design cues & modern amenities onboard include:

Ultra-high performance Black Brembo 6-piston front & 4-piston rear brakes with vented rotors

Black 12-way-power climate-controlled Nappa leather/Alcantara suede performance seats with blue accent stitching & Daytona-embroidered seat backs

Blue accent stitching on the center console armrest, door panels & armrests, dashboard and gear shifter

Dynamica Suede headliner

Real carbon fiber instrument panel & console bezels

Light Black Chrome interior accents

Suede flat-bottom steering wheel

Premium velour-bound floor mats with a blue dual-stitched accent border

Besides the other SRT Hellcat Widebody features & design cues we explained above, this model also gives you a remote start system, dual-zone automatic temperature control, the Uconnect 4C infotainment system with Apple CarPlay & Android Auto and more. Like the 1969 vehicle, there will only be 501 Daytona models produced.
