This 2000 Jeep Wrangler Sahara was recently resprayed in tan Kevlar. The top is new, The factory seating surfaces are in great condition. You simply could not build this Jeep for what you can now buy it for. The winch and suspension are all relatively new. This Jeep is a fresh build. The underside looks great. The only shortcoming of this Jeep is that it is better on roads with a moderate speed limit. The gearing has been changed for extra acceleration off road.
