If you want the ability to traverse any terrain while ensconced in a cocoon of the finest amenities, the 2014 Range Rover LWB Supercharged fits the bill. This 4-wheel-drive vehicle is just as at ease ascending a mountain as it is pulling up to the general

mountain as it is pulling up to the opera!

This is a local, 2 owner, non-smokers Range Rover LWB that runs and drives great and looks even better! This beautiful Rover is in flawless condition, inside and out. Seriously, I can't emphasize how nice it truly is! It has had WeatherTech mats over the carpet since new!

The CarFax provided shows it has a great service and maintenance history. With this low mileage, it should have lots of life left in it! It has a NEW set of Pirelli tires so it is completely ready to go! These Long Wheel Base Range Rovers are really rare and hard to find. Riding in the back seat is like riding in a limo...there is so much leg room back there! I have all the books and manuals that came with it new and I even have were it listed new for \$117,630.00. To be able to find a LWB Rover, with all these extras, this great history, NEW Pirelli tires, this nice, this clean, at this great price, is a deal, and keep in mind, this is an "out the door" offer, nothing extra, no doc or dealer fees, nothing!
