We are proud to offer you this LOW MILEAGE
2002 Ford F-150 SVT Lightning for sale!

This 2002 Ford F-150 SVT Lightning is one of the most iconic street trucks ever produced. Under the hood, an SVT-supercharged 5.4-liter V8 engine produces 380 horsepower and 450 lb-ft of torque, all of which is sent through a four-speed automatic transmission to the rear wheels. The output from this engine also includes a fantastic sound that is amplified by the twin-tip FlowMaster exhaust system. This sleek truck comes equipped with 18" SVT wheels and is finished in Raven Black, a menacing color that makes this truck look even more aggressive. In the interior, this Lightning offers cloth "SVT" bucket seats, a leather steering wheel, SVT gauges, a sliding rear window, and a Kenwood infotainment system with Bluetooth, phone connectivity, and a backup camera, truly making this truck the complete package.
