We are proud to offer you this 2015 Chevrolet Camaro SS 1LE with Many Upgrades for sale!

This 2015 Chevrolet Camaro SS is a modern muscle car with plenty of power and amenities. Under the hood, a 6.2-liter V8 engine produces 455 horsepower and 455 lb-ft of torque, all of which is sent through a six-speed manual transmission to the rear wheels. The engine is not stock, however, having received an Airaid cold-air intake, Stainless Works SP long-tube headers, and ACDelco spark plug wiring, among many other modifications. This powerful machine comes equipped with 20" Chevrolet wheels and is finished in Red Hot, making it look even more spectacular. Additionally, several cosmetic mods, including Morimoto XB LED taillights, a rear spoiler with an aftermarket extension, aftermarket side skirts, and an aftermarket front lip with rods adorn the exterior of this Chevrolet, making it even more unique. In the interior, this Camaro offers heated leather "SS" bucket seats, a flat-bottomed "SS" steering wheel, a heads-up display, dash-mounted gauges, and an infotainment system with Bluetooth, navigation, and a rear camera, truly making this car the complete package.
