We are proud to offer you this LOW MILEAGE
2000 Plymouth Prowler for sale!

This 2000 Plymouth Prowler is Plymouth's swan song sports car that has no equivalent. Under the hood, a 3.5-liter V6 engine produces 253 horsepower and 255 lb-ft of torque, all of which is sent through a four-speed automatic transmission to the rear wheels. And, with only ~16,000 miles on the odometer, the car is in absolutely pristine condition. This Plymouth comes equipped with chrome-finished OEM wheels measuring 17" in the front and 20" in the rear and is finished in Prowler Black Clearcoat, a deep hue that makes this eye-catching car look even more sleek. In the interior, this Prowler offers leather bucket seats, a dash-mounted gauge cluster, a steering column-mounted AutoMeter tachometer, a leather steering wheel, and a Panasonic stereo with AM/FM radio, CD, and AUX, truly making this car the complete package.
