We are proud to offer you this 2016 BMW 228i 6speed Manual with Many Upgrades for

sale!

This 2016 BMW 228i is an agile German sports car with quite the modification list. Under the hood, a TwinPower turbocharged 2.0-liter inline four-cylinder engine produces 240 horsepower and 258 lb-ft of torque, all of which is sent through a six-speed manual transmission to the rear wheels. The engine is not stock, however, having received an HPS Performance cold-side charge pipe, a VRSF downpipe, and a tune, among many other modifications. This aggressive coupe comes equipped with 18" 3SDM 0.06 wheels and is finished in Mineral Gray Metallic, which helps the sleek lines of the car look even more exquisite. Additionally, several cosmetic mods, including aftermarket side skirts, aftermarket rear canards, carbon fiber mirror caps, and a paint-matched M235i front bumper adorn the exterior of this BMW, making it even more unique. In the interior, this 228i offers heated leather bucket seats, multi-zone A/C, a LikeWise shift knob, selectable drive modes, a leather steering wheel, "M" Sport accents, and an infotainment system with Bluetooth, navigation, digital gauges, apps, and a rear camera, truly making this car the complete package.
