We are proud to offer you this 2013 Chevrolet Grand Sport 4LT 60th Anniversary 1000hp Build with Many Upgrades for sale!

This 2013 Chevrolet Corvette Grand Sport 4LT 60th Anniversary is a fully optioned, completely built performance machine. Under the hood, a 6.2-liter V8 engine produces 430 horsepower and 424 lb-ft of torque, all of which is sent through a six-speed automatic transmission to the rear wheels. The engine is not stock, however, having received a ProCharger D1X supercharger kit, an ALKY dual nozzle methanol injection system, a Comp Cams custom grind boost cam package, and a DSX flex fuel system, among many other modifications. As a result of these modifications, this car achieved 902 RWHP, making it one of the most powerful examples of its kind. This extreme coupe comes equipped with 19" ZR1 Cup wheels in the front and 18" Forgestar beadlocks wrapped in Mickey Thompson ET Street R slicks in the rear, while the exterior is finished in a shimmering Arctic White that makes this car even more of a head-turner. In the interior, this loaded Chevrolet offers heated leather "60" bucket seats, the 4LT Package, an alcantara "60" steering wheel, multi-zone A/C, selectable drive modes, a heads-up display, "60" gauges, and an infotainment system with Bluetooth, navigation, and phone connectivity, truly making this car the complete package.
