Vehicle Description

AutoPark Dallas is thrilled to offer you this Lotus Elise for sale! If you really, truly care about driving, the Lotus Elise is about as obvious an answer as water being wet and fire is hot. It's a gutted, Manual, weighing less than 2000lbs and making a solid 200 Horsepower, Everything you need and absolutely nothing you don't! As the years have streaked by and the zeitgeist for sports cars has become 'complicate and add horsepower', Lotus has managed to retain what really matters when you're driving! Being powered by a Toyota Celica Engine, the Elise isn't plagued with any of the less-than-perfect reliability issues Lotus was known for in the past. Still, in stock condition, this Little Lotus is a completely blank slate for whatever you want to do with it! Come check it out today parked here in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
