This is a super nice, just like brand new East to West Alta series by Forest River. This is the 2850 KRL model, rear living with huge back window, recliners and couch in back with smart tv and fireplace, center kitchen , with everything you need for entertaining , walk thru bath that is huge and then queen bed with separate entrance. This is 50 amp with 2 ac units, measures over 30 ft long, so more than large enough to live in. This camper is one owner, purchased locally and has barely been used.
