AutoPark Dallas is thrilled to offer you this Cammaed 2005 Pontiac GTO for sale! Considered the ultimate sleeper car back in their hay-days, the Pontiac GTO may not be the most beautiful muscle car ever, but under the hood is a different story. Equipped with Chevrolet's V8 'LS2' 6.0L Engine, commonly found in the Corvette around similar years, these Pontiac coupes were considered the easiest vehicle to do mild modifications to that will make the tires squeal and destroy unsuspecting competition. Our GTO here at APD also is optioned with a rare red interior you don't often find on these monsters! Don't hesitate to check out this blast from the Pontiac past as this GTO is parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury Vehicles!
