This 1956 Chevrolet 3100 has the perfect body to show off a black cherry paint job! Some of the hidden trim has been hydro dipped with pin up girls to add a little contrast. A stout 350 lies under the hood with a floor shifted 4 speed manual transmission behind it. You'll find freshly rebuilt drum brakes with chrome 5 spoke wheels and Cooper Cobra tires on all four corners. A chrome grill and wood bed also break up the body color that coats everything including the bumper. This truck fires up right away and is ready to drive just as fast. Gray upholstery completes the interior with embossed logo door panels and a comfy bench seat. Financing is available and trades are welcome, so call or click right away!
