1996 Ford F-350 Crew Cab Long Bed 4WD in great shape and it shows! Owned by a local client of ours this truck has been well kept. Here is your chance to own a nice example of a 1996 F-350 Crew Cab at an excellent value!

This F-350 is powered by the 7.5L 460ci mated to Ford's Heavy Duty 4-Speed Automatic.

Speed Automatic
Transmission with Over
Drive. This truck runs, drives
and shifts very well. Currently
206,000 miles and still runs
very strong! Don't sleep on
the 7.5L engine; it's more
than capable and known to
be very reliable. Ford OBS
guys know the 7.3L Power
Stroke Diesel's run forever
and the 460ci 7.5L is no
exception!

Overall, its clean inside and
out and shows very well for
its age. The interior is very
clean and looks great! The
exterior is also in good shape
with wear consistent for its
age and miles. The body
does have some rust on both
bed flares in addition to the
lower fender and driver's
side door. Otherwise the
truck is very solid inside,
outside, and underneath!

Notes worth mention: A/C
does not blow cold, two brake
lines have compression
fittings, exhaust leak
passenger side.
