We are proud to offer you this 2015 Ford Mustang GT Premium Whipple Supercharged with Many Upgrades for sale!

This 2015 Ford Mustang GT is a heavily modified machine that has been built to turn heads. Under the hood, a 5.0-liter V8 engine produces 435 horsepower and 400 lb-ft of torque, all of which is sent through a six-speed manual transmission to the rear wheels. The engine is not stock, however, having received a Whipple supercharger kit with a 3.750" supercharger pulley, among other modifications. This Ford comes equipped with 20" Foose wheels and is wrapped in a glittering white with metallic flake. Additionally, several cosmetic mods, including a GT350-style front bumper, a vented hood, a ducktail spoiler, blue racing stripes, and aftermarket rear window louvers adorn the exterior of this machine, making it even more unique. In the interior, this Mustang GT offers custom diamond-stitched blue leather bucket seats, an RTR white ball shift knob, a leather steering wheel, push-to-start, and an infotainment system with Bluetooth, phone connectivity, and a rear camera, truly making this car the complete package.
