#### Awards:

\* 2015 IIHS Top Safety Pick \* 2015 KBB.com Brand Image Awards

#### Reviews:

\* Sophisticated ride quality; room for five and their stuff; quality cabin materials; efficient base engine; powerful Sport model; many available technology features. Source: Edmunds

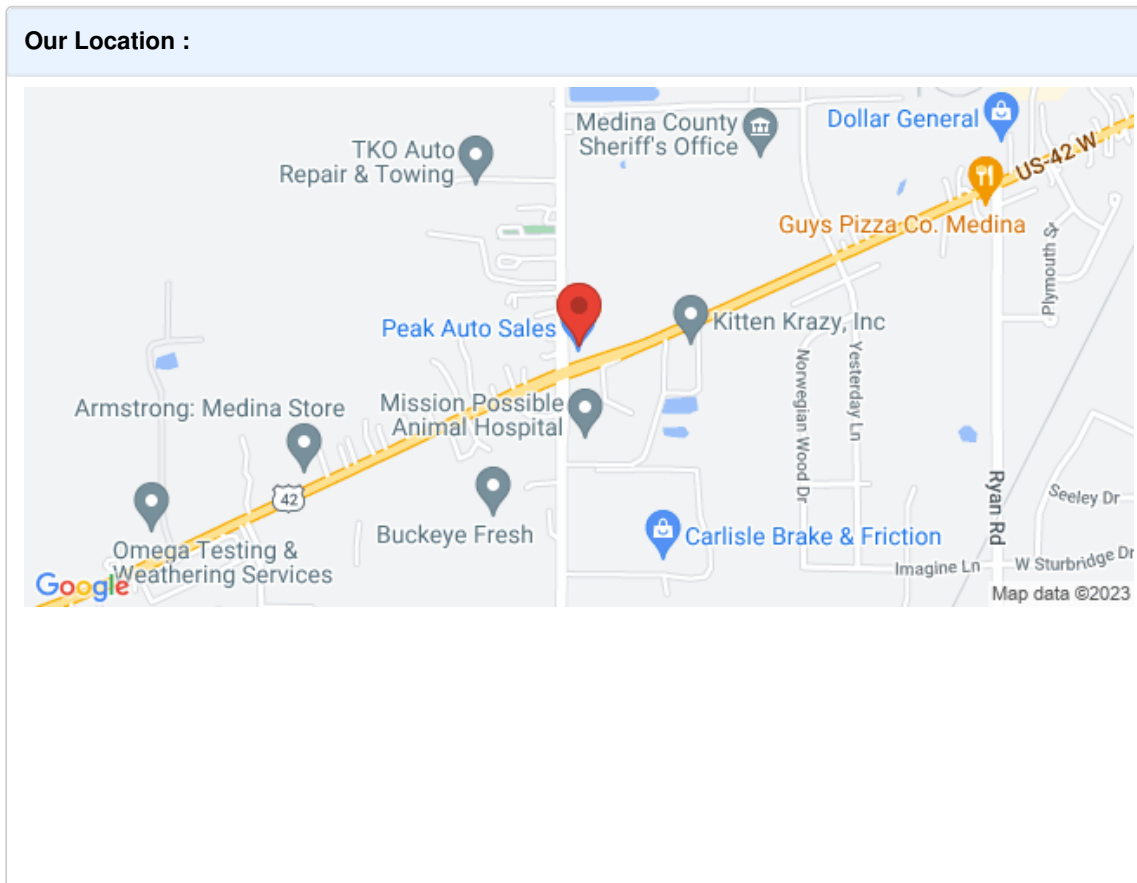

\* The all new 2015 Ford Edge is taking crossovers to a whole new level. The SE, SEL, and Titanium models offer both the remarkable 2.0L EcoBoost engine gives you plenty of low-end torque for acceleration and passing, and the 3.5L Ti-VCT V6 for best in class power. The bold Edge Sport model makes use of a fiery 2.7L V6 EcoBoost engine to deliver tons of torque and power. A new SEL Appearance Package adds flair including eye-catching 20 inch wheels. Available in all-wheel drive or front-wheel drive, the Edge can help you maintain your cruising distance, change lanes and back out of parking spaces. The turbocharged, direct-injection 2.0L EcoBoost I-4 engine with 6-speed automatic transmission, helps the Edge deliver up to 30mpg hwy. Outside, aggressive front and rear fascias combine with a bold black grille, unique headlamp treatments, oval-shaped chrome exhaust tips and jaw-dropping 18-20inch alloy wheels to give any Edge the look that backs it all up. The Limited model is just one example of the interior luxury experienced in the new Edge. Available advanced technology like ultrasonic sensors detect vehicles and objects in your blind spots while a front-facing camera gives you a peek around corners at slow speeds. Available Enhanced Active Park Assist adds the ability for Edge to help you with perpendicular parking too. Utilizing the vehicle's twelve ultrasonic sensors, Edge will scan for suitable parking spaces, and will assist in backing the vehicle into the spot. Stay connected with hands-free calling, voice-activated entertainment, customizable

instrument cluster screens and touch-screen controls all available via SYNC with MyFord Touch. Source: The Manufacturer Summary
