Looking for a rugged, dependable pickup that can handle any job you throw at it? Look no further than this 2006 Ford F-150 XL 4x4. This tough truck has everything you need to get the job done, whether you're hauling equipment to the job site or towing a trailer full of lumber home from Lowes. With a powerful 4.6L V8 engine, 4 speed automatic transmission and four wheel drive, this F-150 XL is built for performance and versatility. It only has 123k miles on it, leaving lots of life for future owners. You'll love the smooth, confident ride that comes with the upgraded suspension and large 17-inch wheels with Cooper Discoverer tires. Plus, with a spacious and comfortable interior that includes air conditioning, AM/FM stereo, and front bench 40/20/40 seating, you and your crew will be able to take on long days on the job with ease. This F-150 XL is also built with safety in mind, with features like four-wheel disc brakes, ABS, and dual front airbags. Plus, with a 6.5-foot bed and plenty of storage space, you'll be able to carry everything you need, from drywall and tools to camping gear and sports equipment. Financing is easy and trades are welcome, so call or click today!
