Are you in need of a reliable, durable and versatile military utility vehicle? Look no further than the 1973 AM General M151 A2! With its four-wheel drive system and powerful 90-horsepower, four-cylinder gasoline engine, this vehicle can handle any terrain and conditions. Its small size and lightweight design make it agile and easy to maneuver, while its high ground clearance and good approach and departure angles allow it to clear obstacles and climb steep inclines with ease.

Whether you need it for reconnaissance, as a weapons platform (joking of course), or as a utility vehicle, the M151 A2 is up to the task. It's perfect for use by the armed forces, but also suitable for civilian organizations and other countries.

And with a range of around 300 miles, you'll have the freedom to go where you need to go without worrying about running out of fuel. This 1973 model has been well maintained and it's in great condition, ready to take on any challenge you throw at it.

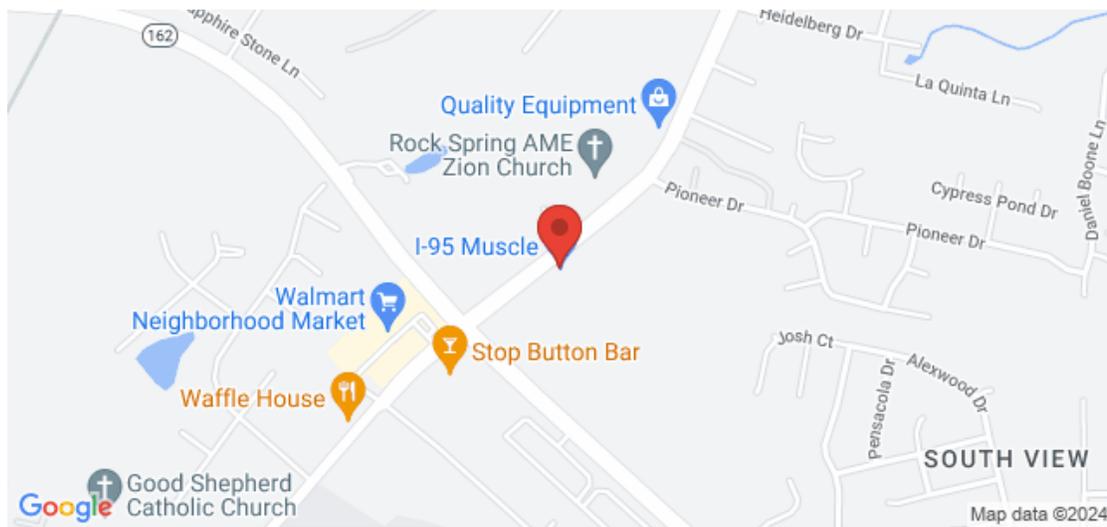

Don't miss out on this opportunity to own a piece of military history! The 1973 AM General M151 A2 is a reliable and capable vehicle that will serve you well for years to come. Contact us today to schedule a test drive and see for yourself why this vehicle is a must-have for any organization or individual in need of a versatile, off-road capable vehicle.

Financing is available and trades are welcome.
