This vehicle won't be on the lot long! Demonstrating that economical transportation does not require the sacrifice of comfort or safety! The engine breathes better thanks to a turbocharger, improving both performance and economy. The following features are included: heated seats, telescoping steering wheel, and cruise control. Subaru made sure to keep road-handling and sportiness at the top of it's priority list. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our team is professional, and we offer a no-pressure environment. We'd be happy to answer any questions that you may have. Stop by our dealership or give us a call for more information.
