ToddsCarTeam.com Certified limited warranty to 100k miles or three years from your date of purchase.

In order to Certify this unit we changed the oil, serviced the transmission, flushed the brake fluid, performed a front brake job, replaced and reprogrammed one key, replaced the center console trim and shift lock cover, rotated the tires, performed an alignment, changed the cabin and engine air filters, replaced the wiper blades, performed an upper engine fuel cleaning and added a fuel system treatment (\$1,878 value). We found the brakes to have 100% front and 75% rear pads remaining. The tires are Goodyear Reliant All-Seasons and all four tires have 7/32nds tread. They have 10/32nds tread new.
