We do not do any in-house financing, however, you can finance through your local bank or credit union. If you want us to hold a vehicle to prevent purchase from anyone else, we will require a minimum deposit of \$500 made through our PayPal account: [texasdiesels@yahoo.com](mailto:texasdiesels@yahoo.com). Please give us a call beforehand to ensure availability. However, if you can't complete the purchase, Texas Diesels will keep the deposit as a restocking fee. All deposits are NON-REFUNDABLE. Full payment is due before vehicle delivery. Buyers in all states are required to pay a flat \$250 administrative fee and \$50 documentry fee. These fees are collected by Texas Diesels and are not required by law. All buyers are also required to pay a \$5 buyer tag fee. Out-of-state buyers are responsible for taxes and registration fees in their own states. Texas residents pay a 6.25% state sales tax. Please have verifiable funds or pre-approved loan available at time of purchase. We will fax or mail you duplicate copies of the paperwork; one for you to keep, and one for you to sign and return. Once payment is received or the loan proceeds have been dispersed, you can then make arrangements to take delivery of the vehicle. The actual miles posted in this listing may be slightly higher due to in-transit repairs or customer road testing. All our vehicles are pre-owned and they are sold in "AS-IS" condition. All sales are finalized at our place of business. Pre-buy vehicle inspections are encouraged and will be performed on our premises. Inspections performed after the point of sale will not be accepted or considered. Some vehicles are still under factory warranty (check description) or an extended warranty may be purchased for most vehicles. We encourage trade-ins and can give you an estimated value of your vehicle over the phone or by e-mail. Once the vehicle leaves our location, all responsibility for the vehicle becomes that of the customer and/or the transport company. The buyer is responsible for all shipping fees or self-arranged transportation. It is agreed by all parties in relation to any transaction involving this vehicle that the proper venue for any legal proceedings will be conducted in Austin County, Texas. We describe all vehicles as accurately as possible; however it is not possible to include all minute details and imperfections. Books, records, and/or manuals will have pictures of those items; otherwise the vehicle does not include them. [dieselsintexas.com](http://dieselsintexas.com) is owned by Texas Diesels, a licensed and bonded car dealer in the state of Texas.
