ToddsCarTeam.com Certified limited warranty to 100k miles or two years from your date of purchase.

In order to Certify this unit we changed the oil, serviced the transmission and updated the TCM software, flushed the brake fluid, performed front and rear brake jobs, replaced the battery, replaced the timing belt, replaced the water pump, replaced the timing components, replaced the drive belt, rebuilt a second key fob, replaced both front lower control arm compliance bushings, installed four new tires, performed an alignment, changed the cabin and engine air filters, replaced the wiper blades, performed an upper engine fuel cleaning and added a fuel system treatment (\$5,359 value). We found the brakes to have 100% front and 100% rear pads remaining. The tires are new General RT45s.
