## Vehicle Description

AutoPark Dallas is thrilled to offer you this sick Hummer H2 for sale! Despite being slightly downsized compared to the original, the Hummer H2 still feels massive on the road. The ride is slightly stiffer than that of a Suburban or Tahoe, but not so much as to be uncomfortable. The H2's off-road prowess is easily the best in its class, with steep approach and departure angles, plenty of ground clearance, and ample wheel travel. Power from the big V8, It's criminal that these beautiful machines are no longer in production! DO! NOT! HESITATE!!! To swing by and check out this Monster of a car that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
