Vehicle Description

AutoPark Dallas is thrilled to offer you this 2016 Ford Focus RS for sale! For the longest time, hot hatchbacks were mainly a European commodity that never really saw the same desirability here in the United States - until recently, as we are now blessed with a few great options for these body styles! Possibly the best of those options has to be the Focus RS, heavily rally inspired from Ford's racing program and experience in World Rally Competition for 10+ years. The **2.3L Turbo 4-Cylinder** comes in at 350 horsepower bone stock, and applies that power through it's **6-Speed Manual Transmission** to a class leading **AWD** system that does not disappoint. This particular example takes that power number and bumps it up through the **Mishimoto Intake**, **ETS FMIC**, and **Borla Exhaust**, which really completes the whole package. The **White over Black** interior perfectly compliments the black exterior trim and black wheels, making this not only a treat to drive, but a head turner as well. DO! NOT! HESITATE!!! To swing by and check out this Focus RS that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
