Vehicle Description

AutoPark Dallas is thrilled to offer you this 2010 Aston Martin Rapide for sale! If Aston Martin ever had an issue with their lineup of beautiful British sports cars, it's that no more than two people could enjoy their unique creations at one time - which was a shame because the one of a kind driving experience is truly something to behold. Enter the Aston Martin Rapide, the first time that Aston let more than just you and a friend experience the visceral emotion that the company has always been known for - now the entire family or friends can enjoy! Did we mention it has that legendary hand-built V12?! This beautiful example comes hard loaded with options, the highlight of which has to be the **Rear Seat Entertainment** - an option surprisingly very rarely seen in the Rapide. Couple that with the **Heated/Cooled Front AND Rear Seats** and some choice color and trim options, and this Rapide really checks all the boxes. Beautiful sexy lines, gorgeous understated color combination, aggressive exhaust note, and all the options. DO! NOT! HESITATE!!! To swing by and check out this Aston Martin Rapide that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
