AutoPark Dallas is thrilled to offer you this 2014 Lamborghini Aventador LP700-4 for sale! We're not really sure this vehicle needs much of an introduction - but just as a reminder, we'll just say this - 6.5L naturally aspirated V12 producing 700 horsepower, scissor doors, the Lamborghini flagship supercar that ends up on posters in a kids bedroom! Now that that's out of the way, let's dive into this example in particular. Finished in a beautiful shade of **Grigio Estoque Metallic** exterior over a **Terra Semele/Nero Ade** interior and **White Brake Calipers**, the color combination really strikes the bold body lines of this wide supercar while still remaining somewhat understated and classy. The **Transparent Engine Cover** has been optioned to easily see and display the work of art that is the mid-rear mounted V12 - and to really bring out the howling nature of this beast, a **Fabspeed Exhaust** has been fitted, which provides deep and low tones of burbling at lower RPM while at the same time retaining the high end V12 howl towards the upper end. Previous ownership has also already taken the liberty of having a **Full Front Clear**

already taken the liberty of having a Full Front Clear Bra installed to protect the paint finish and keep the vehicle in as clean of condition as possible. Come see why the Aventador has become revered as one of the best V12 supercars Lamborghini has produced, and possibly the last of a generation! DO! NOT! HESITATE!!! To swing by and check out this Aventador that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
