The 2008 Mustang Bullitt is a classic American muscle car that was built as a tribute to the iconic 1968 Mustang driven by Steve McQueen in the movie "Bullitt." It's a limited edition vehicle, with only 7,700 produced. In this case, let's use some "Bullitt" points to review this beautiful black stallion.

- It has just 17,160 miles on the odometer and is in excellent condition.
- It has a powerful 4.6-liter V8 engine that produces 315 horsepower and 325 lb-ft of torque.
- The exterior of the car is finished in Black, as Black and Dark Highland Green were the only colors available with this package. It features unique Bullitt badging and Chrome 18-inch SVE wheels with high-performance Nitto tires.
- Inside, the Bullitt is equipped with leather seats with unique Bullitt stitching, aluminum accents, and a special Bullitt badge on the steering wheel. It also has a premium sound system and a 6-disc CD changer.
- In addition to its high performance and style, it also has impressive safety features, including anti-lock brakes, traction control, and side-impact airbags.

Overall, the 2008 Mustang Bullitt is a rare and collectible vehicle that combines classic style with modern performance and safety features. With its low mileage and excellent condition, it's sure to turn heads and provide a thrilling driving experience. Financing is easy, trades are welcome, and shipping is available. Call, click, or come by while it's still available.
