Vehicle Description

AutoPark Dallas is thrilled to offer you this 2003 Infiniti G35 w/ Leather for sale! This has to be one of the cleanest unmolested G35 models currently available for sale on the market - with only **58k original miles** and **bone stock**, it's immediately evident that previous ownership took the utmost care and maintenance with the vehicle from new! Most Infinitis of this age show cracking and discoloration of the headlights, overwhelming paint issues, and excessive interior wear - none of which are present in this example. There weren't many options available for the G35 in this era, but this one comes equipped with the **Premium Package** including **Power Sliding Sunroof**, and **Bose Premium Sound System**, among other equipment. Come experience why the Infiniti G35 was the hottest car on the block when it came out, and still draws attention from car enthusiasts today! **DO! NOT! HESISTATE!!!** To swing by and check out this Infiniti G35 that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
