This 1987 Volvo 240 DL Wagon shows just over 86,300 miles. Finished in dark red over tan interior. The car is powered by the stock fuel-injected 2.3L 4cyl. paired with a automatic transmission. It has always been a Florida car. I acquired the car in July 2022 from an estate. I was told the car had been stored in their garage and not driven since 2009. When I bought the car I had my mechanic completely inspect the car and perform services needed. This included new fuel pumps, timing belt, drive belts, water pump, T-stat, hoses, coolant flush, coolant temp sensor, plugs, plug wires, cap & rotor, fuel injectors, brake fluid flush, transmission service, new battery, A/C service & update, and new Toyo tires. The car runs and drives well. The car has been professionally detailed inside and out. It shows incredibly well. Please take the time to examine the detailed photos of the car. Also provided is a video showing a cold start, a walk-around, and an in-car drive. The car is sold with a clear, clean FL title. Sale includes, 2 keys, floor mats, owners manual, jack, and tool kit.
