Thank you for visiting another one of Callahan Motor Company's online listings! Please continue for more information on this 2016 Ford F-150 XLT with 65,085mi. One of the best things about this Ford F-150 is that it has low, low mileage. It's ready for you to truly break it in. Just what you've been looking for. With quality in mind, this vehicle is the perfect addition to take home. This is about the time when you're saying it is too good to be true, and let us be the one's to tell you, it is absolutely true. More information about the 2016 Ford F-150: The F-150 might be the most important vehicle made by Ford. It continues to be one of their top-selling vehicles, encouraging Ford to put their best foot forward with the 2016 model. The F-150 competes with the Ram, the Chevrolet Silverado and the GMC Sierra 1500, among others, in the full-sized truck category. Ford is clearly pushing its new technology and new ideas with the F-150, offering plenty of options not available anywhere else in this class, such as a 360-degree camera and integrated loading ramps stowed in the pickup bed. A smaller, more fuel efficient EcoBoost engine is also available, which should further improve fuel economy while providing the same kind of horsepower that would normally be delivered by mid-grade V8 engines. At the same time, the F-150 continues to excel at traditional truck tasks, with a best in class towing capacity of 12,200 pounds when properly equipped. Interesting features of this model are available in a huge variety of trims, Towing capacity, efficient turbocharged engines, improved gas mileage, and rugged durability
