Vehicle Description

AutoPark Dallas is thrilled to offer you this 2018 Mercedes-Benz Maybach S 560 for sale! When Mercedes brought the Maybach brand in-house in 2014, everything changed - Maybach now benefitted from Mercedes' full support in technology and design, and Maybach would still retain their ultra-luxury status with bespoke details and treatment unrivaled in the industry. As the years have gone on, that dynamic has only gotten better with every detail of this car crafted with the utmost care and attention to detail. This particular example comes hard loaded with options, from the **Executive Rear Seat Package Plus** incorporating full power rear seats with massage and tray tables (and yes, of course rear seat entertainment screens as well) to the **Burmester High-End 3D Surround Sound System**, among other luxuries. Possibly the standout of specification here though, has to be the color - a beautiful **Ruby Black Metallic Exterior**. Appearing simply black in most lighting, this beautiful paint choice actually has dark red metallic flakes incorporating that catch the light under the right conditions to provide these subtle hues of a black/red metallic exterior, of course beautifully complimented by the **Porcelain/Black Interior** to complete this subtle yet elegant specification. DO! NOT! HESISTATE!!! To swing by and check out this Maybach S 560 that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
